Tenders must be placed inside two sealed envelopes. The inner envelope, addressed as indicated above, should be marked as follows: **'CALL FOR TENDERS – OLAF - FRAMEWORK CONTRACT FOR A CONFERENCE AND EVENT ORGANISER no OLAF/D1/64/2014 - NOT TO BE OPENED BY THE INTERNAL MAIL DEPARTMENT'**. If self-adhesive envelopes are used, they must be sealed with adhesive tape and the sender must sign across this tape.

The inner envelope must also contain two sealed envelopes, one containing the 'administrative documents and technical offer' and the other the 'financial offer'. Each of these must clearly indicate the content: 'Administrative documents and technical offer' and 'financial offer'.

4. Tenders must be:

- signed by a duly authorised representative of the tenderer;
- perfectly legible so that there can be no doubt as to words and figures;
- drawn up using the 'tender submission forms' in the tender specifications.

5. The period of validity of the tender, during which tenderers may not modify the terms of their tenders in any respect, is 9 months from the final date for submission.

6. Submission of a tender implies acceptance of all the terms and conditions set out in this invitation to tender, in the tender specification and in the draft contract and, where appropriate, waiver of the tenderer's own general or specific terms and conditions.

Submission of a tender is binding on the tenderer to whom the contract is awarded for the duration of the contract.

7. All costs incurred during the preparation and submissions of tenders are to be borne by the tenderers and will not be reimbursed.

8. Contacts between the contracting authority and tenderers are prohibited throughout the procedure save in exceptional circumstances and under the following conditions only:

– Before the final date for submission of tenders:

- At the request of the tenderer, the contracting authority may provide additional information solely for the purpose of clarifying the nature of the contract.
- Any requests for additional information must be made in writing only to the functional mailbox: OLAF-FMB-TENDERS@ec.europa.eu. Queries by telephone will not be considered.
- Requests for additional information received less than five working days before the final date for submission of tenders will not be processed.

- The European Commission may, on its own initiative, inform interested parties of any error, inaccuracy, omission or any other clerical error in the text of the call for tenders.
 - Replies to tenderers' queries and any additional information including that referred to above will be posted on OLAF website: http://ec.europa.eu/anti_fraud/about-us/calls-for-tender/index_en.htm
 - The website will be updated regularly and it is the tenderers' responsibility to check for updates and modifications during the tendering period.
- After the opening of the tender:
- If clarification is required or if obvious clerical errors in the tender need to be corrected, the contracting authority may contact the tenderer provided the terms of the tender are not modified as a result.
 - If envelopes are found to be open at the opening session, the tenders concerned will be considered inadmissible. To avoid this, tenderers must ensure that their offers are packed in a way that makes it impossible for the envelope to be accidentally opened while in transit, but that they can be easily opened by the contracting authority.
10. This invitation to tender is in no way binding on the European Commission. The European Commission's contractual obligation commences only upon signature of the contract with the successful tenderer.
 11. Up to the point of signature, the contracting authority may either abandon the procurement or cancel the award procedure, without the candidates or tenderers being entitled to claim any compensation. This decision must be substantiated and the candidates or tenderers notified.
 12. Once the European Commission has opened the tender, the document shall become the property of the Commission and it shall be treated confidentially.
 13. You will be informed of the outcome of this procurement procedure by e-mail. It is your responsibility to provide a valid e-mail address together with your contact details in your tender and to check it regularly.
 14. If processing your reply to the invitation to tender involves the recording and processing of personal data (such as your name, address and CV), such data will be processed pursuant to Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data. Unless indicated otherwise, your replies to the questions and any personal data requested are required to evaluate your tender in accordance with the specifications of the invitation to tender and will be processed solely for that purpose by unit OLAF.O.2: Human Resources and Budget. Details concerning the processing of your personal data are available on the privacy statement at: http://ec.europa.eu/anti_fraud/about-us/data-protection/index_en.htm

15. Your personal data may be registered in the Early Warning System (EWS) only or both in the EWS and Central Exclusion Database (CED) by the Accounting Officer of the Commission, should you be in one of the situations mentioned in:
- the Commission Decision 2008/969 of 16.12.2008 on the Early Warning System (for more information see the Privacy Statement on http://ec.europa.eu/budget/contracts_grants/info_contracts/legal_entities/legal_entities_en.cfm), or
